# COURSE DESCRIPTIONS

Day of week	Grade	Class Name	Description
Mon	K-5	Chess Club	Join Mr. Rigeimer and the Hatch Chess Club to make new friends while you learn and play the game of Chess. The format will alternate between structured learning and free play.
Mon	K-5	Garden Art	Join Mrs. Ruff to help create art to enhance how beautiful our Hatch Patch is. We will use various materials to create pieces that will bring joy to our Hatch community.
Mon	3-5	Hatch Hoops	Led by Mr. Cruz-Basketball skills at Hatch
Mon	K-5	Arts and Crafts Club	Join Ms. Bowman and the Arts & Crafts Club, make hands-on art crafts such as: Aqua beads crafts, iron beads crafts, Friendship bracelets, Keychains, Buttons, Bookmarks, Origami, Rubber band bracelets, and Bead Bracelets
Mon	3-5	Sewing and Crafting 101	Led by Ms. Ciosek, in this class, you will learn the basics of sewing by hand, such as making a fleece "Stuffie" (snowman, penguin, or dog), crafts with wool remnants, "Rock-A-Doodle" (create and paint stone pets) and "Sew a Tote" (to keep all the goodies made in class).
Mon	K-5	Sticky Fingers Cooking-Cool'inary Cooking Club	Your kids will have a blast cooking up and devouring our exciting, tasty, and healthy recipes. Our interactive classes incorporate S.T.E.A.M., culture, language, and more, led by our experienced Chef Instructors. Allergies are always accommodated, and our plant-forward recipes are nut-free. Explore our lineup of ever-changing weekly recipes below, and join us to WHIP up some culinary fun all year! Our cooking classes are perfect for all ages!
Tues	K-5	Slowire Ceramics Art Club	Friday: Students will create unique art and functional pottery pieces using multiple hand-building methods! Ms. Carrie will lead the students in learning the following techniques: slab construction, coil building, sgraffito, surface design, and glazing. Students will make some of the following: special name plaques, windchimes, trinket boxes, animal face platters, and ice cream bowls. Tuesday and Wednesday: Slowfire at Hatch is an after-school art education program offering enrichment in the following mediums: painting, drawing, printmaking, sculpture, and ceramics. Our dedicated staff and low student-to-teacher ratio allow us to cultivate community, create personal connections, and teach art FUNdamentals. Slowfire at Hatch meets Tuesdays and Wednesdays when school is in session: Tuesday 3–6 pm & Wednesday from 2:30–6 pm. Daily Schedule: snack, free play (outside if weather permitting), and a 75-90 min art lesson followed with free choice.
Tues	5	Steel Band (5th grade)	This class is taught by Mr. Jacobson and his father, Paul Jacobson. It is designed for 5th grade students who have enjoyed playing steelpans in music class and want to dive in deeper. Students will learn rhythms and melodies by ear and also with sheet music, focusing on ensemble skills, groove, and literacy. Soca is a modern style of music from Trinidad and Tobago, where the steelpan originated. 5th graders will be exposed to various styles and grooves worldwide, including soca, calypso, rock, funk, pop, classical, Latin, and more. Although it is not required, it is highly recommended to commit to the steel band for the entire school year so that we can build a cohesive ensemble that is capable of performing at a high level throughout the year. Session one will include one performance in the Hatch auditorium on a date TBD in March. Also offered on Thursdays.
Tues	K-5	Kuumba Kids Dance	Have fun dancing to the beat of the drum and learning African Dance! This class is grant-funded and free to enrolled participants.
Tues	2-5	I'm Hooked (Crochet Club)	Led by Ms. McCarthy, students will learn to crochet. The stitches that will be mastered are slip knot, chain, and single and double crochet. Students will learn to read crochet notation.
Tues	1-5	Little Bits: Crafternoons	Kids will learn various skills through fun art and craft projects: Fiber, paper, yarn, sewing, painting, bookbinding, print-making, and making gifts, to name a few. Seasonal projects are woven into the mix.
Tues	2-5	Little Bits: Knitting Club	This class is for beginners and experienced knitters who will learn to make various projects.
Wed	K-5	IAA@Hatch "Alice@Wonderland the Musical"	Show Description: The folly of the 21st century collides with the madness of Wonderland in this rockin' musical adaptation that remains fairly faithful to Lewis Carroll's original tale. The twist? Alice is a texting, tweeting, and Googling girl of the modern digital era, yet she finds herself in the Wonderland of old. With all the characters you know and love, including the Mad Hatter, the White Rabbit, and the Queen of Hearts, this musical imagines a present-day Alice encountering the Wonderland so many of us treasure. Meanwhile, the younger generation will appreciate and relate to the many texting and social networking references. And the new contemporary score by beloved composer Bill Francoeur and lyricist Scott DeTurk will delight all. A sharply told, crisply paced ride, this quality adaptation has been praised for its humor, artistic modern style, and appeal to children and adults. Class Description: With IAA@Hatch students get the opportunity to learn a multitude of skills while working together towards the performance of "Alice@Wonderland the Musical". Each student registered receives a part in the show, no experience required. Students will have rotations in Dance, Drama, and Music in preparation for their production, as well as play theatre games, and learn foundational skills for performing on stage. Each student will get to perform in a fully produced production with costumes, sets, props, etc! The kids will work hard and get to feel so proud when they see all their hard work pay off on show day. We have had the privilege of teaching generations of Hatch students and we are so excited to be back with our Hatchlings!
Wed	K-5	Slowfire Ceramics Afterschool	Friday: Students will create unique art and functional pottery pieces using multiple hand-building methods! Ms. Carrie will lead the students in learning the following techniques: slab construction, coil building, sgraffito, surface design, and glazing. Thurs	3-5	<b>Multi-Sport Madness</b>	Multi-Sport Madness is Legacy Sports Camp's most popular program. MSM features a handful of traditional gym games like tag, capture the flag, dodgeball, kickball, and soccer, as well as our popular Legacy games like Hand Hockey, Connect 4, and Battleship.
Thurs	3-5	<b>Calligraphy and Crayoligraphy and Cursive</b>	Led by Ms. Lyles, students will begin to learn Modern and Classic Calligraphy techniques. We will practice cursive as well.
Thurs	K-5	<b>World building with Legos</b>	This class is an exciting collaborative class for both master Lego builders and those students just getting started! Each week will challenge students to use creative and critical thinking strategies. We are using Legos to promote STEM engagement. This class will be about innovating with Lego in a fun AND educational environment.
Thurs	3-5	<b>Lights, Camera, Action</b>	Have you ever thought about becoming a filmmaker? Join us on an adventure that teaches students the parts necessary to make a movie. Students will learn how to write, act, film, direct, design, and edit a movie. You will learn how to use iMovie and other applications to create an original film that will premiere at Hatch.
Thurs	K-5	<b>Pokemon: Gotta Catch them all</b>	Join Ms. Hanson to explore where Pokemon live, their strengths and weaknesses, and their evolutions. We'll play different Pokemon card games and Pokemon Go and learn how to draw some of our favorites! Pikachu, Charmander, Wobbuffet, and all the rest are waiting.

Fri	2-5	<b>Amusement park engineering (with LEGOs)</b>	We bet your child loves going to amusement parks to experience the variety of fast, dropping, and spinning rides, but have they ever thought about the science that goes into building those rides and the people responsible for designing them? In Snapology's Amusement Park Engineering class, students will become engineers of their amusement park rides. They will learn the core physics and engineering concepts used to make a ride thrilling! All done with the use of LEGO® core and technic-style bricks and motors to make their rides move.

# FAQ

## Outside vendors

- Classes are offered by Oak Park and surrounding businesses for young people.
- Vendors must provide insurance certificates and background checks for teachers.
- Health and safety protocols of District 97 and Hatch Elementary apply to all external vendors.

## Logistics

- On class days, please send a healthy, NUT-FREE (no peanuts, coconuts or tree nuts) after-school snack for your child.
- HAH students will be supervised by staff for 10-15 minutes following dismissal. Students are then escorted to their classes. You may pick up your child outside the school by the front office (on Harvey) when class is finished. All teachers have been instructed to accompany students to the exit and wait with them until parents arrive.
- Students in after school programs on the Hatch campus such as Apollo or Hepzibah will be escorted to the appropriate room after the HAH classes.
- Students with permission from their parent or guardian will be allowed to walk home.
- If your child will be absent from a class please notify Ms. Winfield [pwinfield@op97.org](mailto:pwinfield@op97.org) as well as the HAH teacher if you have their contact info.
- All COVID-19 precautions followed during the school day will also be maintained during the HAH programs.
- We are asking all teachers to provide an email address and/or phone number where they can be reached in case of emergency.

## Registration

- Please note that registration is available online at <https://www.homeroom.com/sites/hatch-elementary-oak-park/>.
- We regret to inform you that no registrations will be accepted after the deadline.
- Unfortunately, refunds will not be issued once classes have begun unless the class is canceled.
- Please note that all classes are subject to cancellation due to low registration.
- The price of the class includes any necessary materials fee.
- Please understand that any students who attend the class without prior registration will be directed to the main office and their parents or guardians will be contacted.

## Scholarships for HAH

- Scholarships are available to Hatch Families on a first come basis.
- One scholarship per child per session will be granted.
- Please email [HatchScholarships@gmail.com](mailto:HatchScholarships@gmail.com) for more info.

## Donating to Hatch PTO

- In addition to Hatch After Hours, the Hatch PTO helps fund school events and assemblies, teacher appreciation, field trip costs, special resources and classroom amenities, scholarships, and support the Oak Park Educational Foundation.
- Any and all donations are welcome and greatly appreciated. Donate at <https://www.hatchpto.org/>.

HAVE QUESTIONS or are interested in volunteering on HAH committee? Our email is: [HAHcatalog@gmail.com](mailto:HAHcatalog@gmail.com). Any email sent to the PTO's HAH volunteer team MIGHT TAKE AT LEAST 48 HOURS to generate a response, regardless of the issue. Once classes are underway, the mailbox will be checked less frequently. If you have any immediate concerns, please get in touch with the appropriate HAH teacher.

THANK YOU FOR YOUR PATIENCE AND UNDERSTANDING!
